9. Expulsion from the institution and consequent debarring from admission to any other institution for a specified period. Provided that where the persons committing or abetting the act of ragging are not identified, the institution shall resort to collective punishment.

The college started the academic session of 3 Year LL.B and 5 Year BA LL.B on November 15th, 2022 and celebrated the fresher's day was on July 5th, 2022.

Under the pretext of 'welcoming' new students to the college, ragging is a practice that gives senior students an excuse to harass their junior counterparts and make them easy targets to satiate their own pleasures. The students of St Teresa's College are here by warned that they shall not indulge in "RAGGING". If they are found guilty of ragging they are liable for the above mentioned punishment.

The freshers / junior students are also hereby instructed that they should not respond to the calls from seniors, should not participate in any kind of party anywhere inside/outside the campus, even if ordered by the seniors and that, they have nothing to fear as the institution cares for them and shall not tolerate any atrocities against them.

Al-Ameen College of Law campus is ragging free, still all these measures have been taken to ensure that the freshers are able to pursue their studies without getting teased, insulted or in any way troubled by the seniors in the name of an obsolete, barbaric ritual. All of this was possible only because of the whole-hearted support from students and teachers.
