

Mechanism of internal assessment is transparent and robust in terms of frequency and variety

Al-Ameen college of Law has transparent and robust evaluation process in terms of frequency and variety. In order to ensure transparency in internal assessment, the system of internal assessment is communicated with the students well in time and also tests are conducted on Exclusive online platform. The Principal holds meetings of the faculties, committees and directs the faculty to ensure effective implementation of the evaluation process. At the entry level, admissions are given purely on merit basis. Students who are admitted for the concerned course are assessed continuously through various evaluation processes at college and University level and orientation programmes to the students.

Continuous evaluation is made through Unit Tests, Assignments Submission, Field Visit and Seminars Presentation and also preparatory exams. Unit tests are conducted regularly as per the schedule given in academic calendar. The weightage for the unit tests varies as per the concerned faculty. Students appearing for Second /third year are asked to deliver the seminars of the concerned subject. Topics are given by their teachers to the students to prepare for power point presentation. For transparent and robust for internal assessment, the following methods are conducted

- Internal Examination Committee.●

- Conduct of Examination●

- Interaction with students regarding their internal assessment.●

The method of internal assessment helps the teachers to evaluate the students more appropriately the internal marks obtain in the internal exams are added to their university marks. Due to internal assessment, the interest of the student towards learning and attending the classes has been also increased and made mandatory to follow the deadline. We make sure that interest will be created among the students to take active participation in various co-curricular and extra-curricular activities for their overall personality development. The seminar presentation improves the communication skills of the students which is very essential to face the interviews. In this way mechanism of internal assessment is transparent and robust.
