2. USE OF BICYCLES

The students in the campus as well as in the hostels are using bicycles to use as a mode of transport within the campus. It is environment friendly and prevents pollution.

3. PEDESTRIAN FRIENDLY PATHWAYS

Vehicle parking space is provided at the main entrance of the college campus as well as in each and every college. As the campus is vehicle free with some exceptions, students and staff experience comfort walking through the pedestrian friendly pathways. The internal roads are lined with trees and lights and they are properly maintained by the campus maintenance committee. The university has covered pathways for the benefit of students and faculty. The pathways are tiled and pedestrian friendly.

4. BAN ON USE OF PLASTIC

University celebrates World Environment Day on 5th June. Single-use plastic items such as plastic bottles, bags, spoons, straws and cups are banned completely and awareness is created among staff and students through orientation and display boards in the premises. To restrict the use of plastic, measures have been taken to replace plastic tea cups and glasses with plastic free glasses in the canteen. The staff and students are informed to use steel or copper water bottles instead of plastic bottles. Students and faculty take oath not to use paper covers or bags. Under Swachhh Bharat Abhiyan, students with NSS volunteers pledge to keep the campus free from polythene.
