Portray The Performance Of The Institution In One Area

Distinctive To Its Priority And Thrust Within 1000 Words

Al-Ameen College of Law has achieved importance in the flagship institutions of Al-Ameen, the Vision and Mission of Al-Ameen is to provide quality legal education through distinctive objectives, we not only follow the traditional method of teaching but also implement distinct activities and programmes which portray the Performance Of The Institution In One Area Distinctive To Its Priority And Thrust. We promote the academic, non academic, moral, harmony and Research participation to the extent to which a student, teacher and institution have attained their short or long term educational goals. The , non academic, moral, harmony and Research of the College are as follows-

1. MULTI-LANGUAGE WEBSITE

Al-Ameen Educational Society was establish in the year 1966 with the motive of catering the Educational needs of the Society specially downtrodden people for whom the getting education is a big task and help them to earn legal bread. Hence management has felt the importance legal education and establish Al-Ameen College of Law, where everyone in the society has been provided the opportunity to get quality legal education without any restrictions. Al-Ameen College of Law has the students from all over country, hence after feeling the importance of students belonging to the different languages, college has built up the college website in Multi Languages where student can interact through website in their own language by changing the Language on a Click, the whole website and its content also will be changed into their local language, this is one of the unique website college has which facilitates the students to interact into their language.

2 ACADEMIC DISTIVENESS

WE BELIEVE IN A SAYING THAT
"IF A STUDENT CANT LEARN THE WAY WE TEACH
BUT WE MUST TEACH THE WAY THEY LEARN"

Our attempts to foster diverse all-round growth including teaching, learning and evaluation attributes are rated 'outstanding'. In order to redefine academic excellence, college and its faculty members strive for it and go beyond teaching. As the educational system becomes increasingly student-centered, it is the responsibility of the institute to guarantee that proper teaching and learning requirements are met.

Students are encouraged to align their standards with industry and social demands as part of this process. The well-defined student-centered system has the following goals:

- To establish and maintain state-of-the art teaching facilities.
- To train students in emerging legal search Engines.
- To set up and maintain state-of-the-art library
- To provide best internship programmes to the student
- To Place the students in good reputed law firms
- To provide platform to excel their talents
- To Inculcate the confidence among the students
- To make sure that student become a Social Engineers
- To organise the moot court, debate and quiz Competitions
- Field visits.
- Personality Development

Innovative teaching methods in classroom:

- Al-ameen College of Law has implemented an innovate Teaching learning practice i.e., using projectors in classrooms for better converging concepts and creating more learning experiences by adopting technologies like Audio/ Visual aids from a wide variety of sources.
- All the students were informed to actively participate indifferent activities that allows them to engage with the socio-legal activities.
- Online Competitions through college website customize platforms
- Comprehensive and continuous assessment gives instructors a greater knowledge of what students are learning and helps students become more involved in the learning process.

3. RESEARCH ACTIVITIES:

The Students of Al-Ameen College of Law are made the members of Research Committee and were involved in various research activities on Judgment Writing, writing summaries, drafting of bills etc... The College has research assignments, curriculum, social impact survey and research work,
