NSS UNIT REPORT ON CLEANING DRIVE AND TREE PLANTATION CAMPAIGN BY AL-AMEEN COLLEGE OF LAW

It's great eco-friendly initiatives and campus cleaning activities being organized at Al-Ameen College of Law by NSS Unit and Eco Club as a part of regular activities. These efforts reflect a strong commitment to environmental sustainability and community involvement. Here's a summary of the key points from your description:

- 1. Regular Eco Club Activities:** The college holds a campus cleaning drive as part of its Eco Club activities every year. This demonstrates a consistent commitment to maintaining a clean and green campus environment.
- 2. Planting Trees:** The Eco Club has planted approximately 500 plants in the college campus. This is a commendable effort to improve the campus's greenery and contribute to environmental conservation.
- 3. Participation in NSS Activities:** The college also participates in National Service Scheme (NSS) activities held in various places. It's good to see that these activities are integrated into the college's environmental initiatives.
- 4. Encouragement for Student Participation:** The NSS Unit encourages students to volunteer and actively participate in these activities. This engagement can help students develop a sense of responsibility towards the environment and society.

5. **Certificates for Volunteers:** Students who actively volunteer and participate in these activities are rewarded with certificates. This recognition can motivate more students to get involved and contribute to the cause.
6. **Campus Cleaning:** Students, showing enthusiasm and joy, went in groups to clean the campus. Cleaning the surroundings is an essential part of maintaining a healthy and pleasant environment.
7. **Significant Collection of Waste:** The students' efforts resulted in the collection of over 10 bags of plastic and other waste from the campus. This demonstrates the impact of their work in keeping the campus clean and free of litter.

Overall, these activities not only improve the college campus but also instil in students a sense of responsibility for the environment. It's a positive example of how educational institutions can contribute to sustainability and community engagement.
