Information Communication Technology has revolutionized the research landscape. It's like having the world's knowledge at your fingertips. The E-Library and online databases make the process so much more efficient. Imagine the days when you had to dig through dusty shelves for hours to find a single paper. What's your favourite aspect of using ICT for research.

**E RESOURCES SERVICES OF CDJ LAW JOURNAL**

The CDJ Law Journal established in the year 2000 started to publish THE COMPLETE DIGITAL JUDGMENTS (CDJ) consisting of all the reportable judgments of Supreme Court of India and various Indian High courts and Foreign Courts daily through website, The publishing of judgments in the form of online enable us to report all the judgments directed to be reported by the Hon'ble Apex Court and Hon'ble High Courts, hence our subscribers are at an advantageous position since they have all the judgments at their disposal and there is no question of unreported judgments. The motto of our organisation is to serve the Legal Fraternity by presenting all the latest and old judgments and also present a comprehensive digest of all the judgments and thereby render a fast-track case law analysis.
