Mr. Shahabaz Khan President AACL Students Council	Internet connectivity, online education	Resolved after discussing with the principal
Prof Yasmeen Tabbassum	Procurement of library books availability of books	Advised accordingly
Mr. Abdul Ashik Rawoathar	Issue1: Very poor in academics and had many backlogs	Resolved1: Counselling the student from time to time and guided him with special care in his courses.
Prof Yasmeen Tabbassum, Mr Syed Suhail Lecturer and Mr. Shahbaz Khan President AACL Students Council	Issue1: Lack of feel to join the institute, Issue2: Problems in classes	Counselled the students about the importance of legal education about the college Motivated to continue regular online classes.
Prof. Yasmeen Tabbassum And Mrs. Jayalakshmi	Challenges in carrying out the minor project work Project work	regular meetings were held to discuss the progress of project work and to provide necessary academic support. Additionally, the efforts to minimize mental stress related to online classes, evaluations, and assignments are important. Telephonic conversations can be an effective means of maintaining communication and offering support, especially during times when students may face added stress due to the online learning environment. This approach demonstrates

		during their stay at home.
Prof. Yasmeen Tabbassum	Students felt anxiety about reopening of the university and their career.	Regular discussions and talks over phone, advised them on doing physical exercises and yoga and not to eat the outside food
Prof. Jayalaksmi	<p>Sudents felt anxiety about reopening of the university and their career.</p> <p>Issue2: Students were worried due to pandemic</p>	<p>Advising students to be patient and to spend more time with their parents while being attentive to online classes is a supportive approach during challenging times. Here's how these actions can benefit students:</p> <ol style="list-style-type: none"> 1. Patience: Encouraging patience is important as adapting to online learning can be a transition for some students. It's important to remind them that it's okay to face challenges and that they can gradually adjust to the new format. 2. Spending Time with Parents: Spending time with parents can provide emotional

AACL Students Council	Minor issues were faced by the mentees	Using telephonic and virtual meetings to sort out problems and provide support while students are at home is a practical and effective approach. These methods enable ongoing communication and assistance, even when physical meetings are not possible. It's a valuable way to address various challenges that students may encounter, whether related to academics or personal matters, especially in situations like remote learning during the COVID-19 pandemic.
